

Easy-to-Do Fundraiser

What you get: 15% of sales

What you do: Hand out catalogs

Note: You do NOT have to collect any money or distribute any purchased items. Once you've handed out the catalogs, *Learning Train* does the rest. We accept the orders, receive the payments, ship the products, do all the paperwork, and send you a check.

Learning Train Fundraising Program

- Your school will receive 15% of the purchases made from *Learning Train* by the school's parents, grandparents, and friends.
- The orders may be placed online or by phone, fax, or mail.

Only 2 Rules:

- Each order MUST include your school's Special Offer Code.
- The orders MUST be placed by December 31, 2009.

Notes to the leader:

- Tell us how many catalogs you want and where we should send them.
- Hand out the catalogs, reminding people to use your Special Offer Code and to order by Dec. 31, 2009.
- Receive a check 8 to 10 weeks after the fundraiser has ended.

That's it! No hassles!

Everything *Learning Train* sells is geared toward education, so this program is a natural fit for schools. Now when parents (along with their families and friends) buy educational toys, games, and books, your school can receive a percentage of what they spend!
